

NASHVILLE:

WEDNESDAY MORNING, OCTOBER 27, 1858

NOTICE TO CITY SUBSCRIBERS.

Wishing to confirm our business as near as possible to the CASH SYSTEM, we have determined to collect our subscriptions, within the city, QUARTERLY. To carry this determination into effect, we have placed our whole city list in the hands of Mr. WILLIAM GILL, who will make the collections, and also extend to the delivery of the paper to those subscribers who are served punctually. We hope this arrangement will be satisfactory to all parties. Those who may desire to have their names removed from our list, or to have their names added, will please call on Mr. GILL, or to have their names removed from our list, or to have their names added, will please call on Mr. GILL, or to have their names removed from our list, or to have their names added, will please call on Mr. GILL.

The patrons of the *City* will not need to be reminded that the *Killer Troops*, appear again tonight in a variety of tableaux of the most interesting and brilliant description. It is not often that we are favored with entertainments of this character in Nashville, and the occasions will be still more rare if the people are not properly sustained by the people. Judging, however, by the crowds that have been in attendance since the commencement of Keller's engagement, and the unmistakable manifestations of satisfaction at the performances, we should conclude that the enterprising manager will be amply sustained, and that he will be convinced that he will lose nothing by introducing the first order of talent and entertainments to the Nashville public.

We regret to learn that the father of our esteemed fellow-citizen, Dr. H. SHEPHERD, died in Chicago, a few days since. This melancholy event has called the Doctor away from our city for a short time. His stay will not be prolonged beyond a fortnight.

The weather yesterday was exceedingly pleasant—neither too warm nor too cold—such a day the month of October seldom brings forth. The rain of the preceding days laid the dust and cooled the atmosphere to a pleasant degree.

The new banner used on WHEELER & Wilson's Sewing Machine is a capital invention. It adds greatly to the neatness of the machine, and must make it still more popular with the ladies.

JOHN ARCHBOLD, at the Eagle Saloon, near Broad street, is doing a "smashing" business in the oyster trade. Go and see him.

What the CALIFORNIA ELECTION DECIDED.—The recent election in California has been claimed as a brilliant triumph of the administration democracy. It has been held up as a victory over the opposition including Americans, Republicans and Douglas-Broaderick Democrats. But if we are to believe the assertions of the San Francisco correspondents of the *N. Y. Herald*, this is a false construction of the result. He says:

"It would be difficult to state what the election just past decided. The platform of the democratic party, adopted at Sacramento, does not mention the name of Kansas, Douglas or Broderick. It approved the general policy of the administration, but held out the hand of friendship to all democratic supporters of the Cincinnati platform. It did not, either in terms or by implication, cast a vote of approval on McKim or McKim's supporters. As to Mr. Douglas, the party party and published his speeches as arguments in aid of the regular candidates. The newspapers in aid of the administration declared, as far as they could, the discussion of Kansas, California, and the whole Kansas issue, having been localized in that Territory were past and settled."
